

DEKALB COUNTY PUBLIC LIBRARY

Teen Library Board Trustee Application

The purpose of the DeKalb County Public Library Board of Trustees is to provide citizen oversight of the policies and operation of the library system. At each meeting, trustees receive a report from the director, review the library's bi-monthly financial report and consider policy issues. They also provide advice and counsel to the library director on issues under discussion.

The teen representative on the library board is appointed by the Library Board of Trustees and serves in an advisory nature. The teen representative is expected to participate in the discussion of issues addressed by the board. The goal of appointing a teen library board representative is to provide trustees with a teen perspective on library issues.

The teen representative would be expected to attend as many meetings as his/her schedule would allow. The board meets bi-monthly for approximately two hours on Tuesdays at 4:30 p.m. and normally at the Library Administrative Center.
